New Path!

You may have already seen it, but if not, we've got a new path leading to the church hall, from the car park! Thank you to everyone who has raised money or been able to make a donation towards this. It couldn't have been made possible without you.

Churchyard Fire Risks

With the current hot, dry weather, we're asking that people refrain from laying glass vases, mirrors or any shiny ornaments anywhere in the churchyard. Sunlight reflected from these kinds of items can concentrate heat and create small flames, which can then quickly spread to the surrounding dry grass. It's a precaution, but a worthwhile one while conditions are hot and dry. If you have any queries regarding this, please speak to one of our church wardens.
